

## Spring Festival for young musicians „Over the rainbow“

### Video requirements for the Virtual concert

1. *You must introduce yourself at the start of your performance in English or in the language you normally speak. State your name, your age, what country/city you're from and the piece/song you will play as well as the composer of the piece/song.*
2. *Your video can be filmed with the following devices: phone, iPad, tablet, HD camera etc.*

***Please note! The format of your video must be landscape as shown on the picture.***

***Videos in different formats will not be accepted.***

3. *Your video can be filmed at home, at your school, where you usually have your music lessons, at a studio or a concert hall. It is recommended that you choose a quiet place with good lighting.*  
***Please, note! We do not accept edited videos or videos from other concerts and competitions.***

*Please do not hesitate to contact us at [festovertherainbow@gmail.com](mailto:festovertherainbow@gmail.com) if you have any questions or concerns.*
